Update on our New School

As previously reported in the Media and our last Newsletter, Oak Bay High will be replaced with a new school that includes a Neighbourhood Learning Centre that will play host to an array of programs and services to serve local family and community needs.

Design work for the new Oak Bay High School has recommenced in earnest!

The BC Ministry of Education has released funding to the SD61 Board of School Trustees with the expectation that there would be a 'shovel in the ground' early spring of 2013. The following are some target deadlines that were set to accomplish this:

Issue on July 11, 2012:
Request For Qualifications (RFQ), of potential design/construction companies; 10-12 expected, country-wide)

Aug 15, 2012: Close RFQ

Aug 31, 2012:
Shortlist completed

Sept 7, 2012:
Statement Of Requirements complete . This

is a list of building requirements to ensure that the design encompasses the goals of a 21st Century school, a Neighbourhood Learning Centre, and an asset to the Municipality of Oak Bay

Sept 14, 2012:
Issue Request For Proposals (RFP) for building designs from 2 or 3 shortlisted design/construction companies)

Jan 15, 2013:
Close of RFP

Feb 28, 2013:
All responses reviewed and builder selected

Mar 31, 2013:
Contract awarded

April, 2013:
Ceremonial groundbreaking ceremony

July, 2013:
Construction begins

September 2015:
Target for completion

The "SNUG" Tradition Lives on!

The long awaited re-opening of the Oak Bay Beach Hotel was realized in late November 2012. The Alumni Association thought it would be worthwhile to resurrect the long held tradition of an informal gathering of Oak Bay Grads, from any year, in the Snug Pub on Boxing day.

It was a great success. The section re-

served for the Alumni Association was occupied with standing room only for much of the time. The Alumni was well represented by classes from 66 through 07 with special mention to the classes of 84, 85, 71, 77 and 79t

Look for this to become an annual event at the new Snug Pub.

Annual Alumni Disbursements

The Oak Bay Alumni Association is a proud advocate for Oak Bay Secondary School. Included in our Charter the Alumni Association is to fund, from the interest earned on funds in our account, \$1,000 dollars each year to the Fine Arts Department, the Athletics Department and to fund a \$1,000 dollar scholarship to a deserving student selected by the leadership council at Oak Bay Secondary. This person must be a well rounded individual that demonstrates role model qualities in Academics, Athletics and the Community.

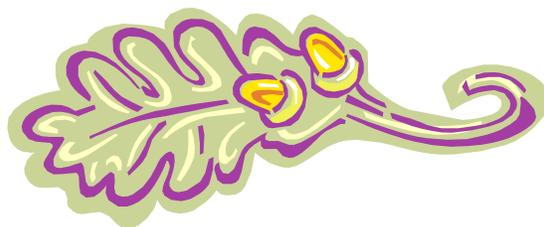

We are please to say that for the 5th year now the Alumni Association has delivered on this mandate. To date the Association has distributed \$15,000.00 to the school and to 6 exceptional students.

This years recipient: Olga Mosca

Olga is a future community leader, who is highly regarded for her integrity, adaptability and work ethic. Olga has a 5.0 GPA. As an academic student, she has a well-developed sense of curiosity, and is a valued resource for other students and earned the prestigious 'Green and White' Oak Bay award for her outstanding contributions to the school.

Olga came to Oak Bay as an International Student and quietly ingratiated herself into the school culture, involving herself in the Amnesty International Club, the Cops for Cancer campaign, and the Hero Holiday group that travels to Mexico to build homes for deserving families. In addition she is an accomplished skater who volunteers with the CanSkate program at the Oak Bay Rec Centre.

As an amazing jazz vocalist, Olga made great contributions to the Fine Arts program. Always ready to help, she has nurtured many younger performers in the program.

How can you help your Alumni? Have you considered Creating an Enduring Endowment?

If you donate to charity whenever you can, or want to share your wealth in support of your community, then a strategic giving program can make your contributions last in a more meaningful way.

Consider a donor-advised charitable fund to set the seed for your gift to grow and prosper for years to come. It's a powerful way to give, harnessing the power of investing for growth and efficient tax and estate planning – to the benefit of the people and causes that matter.

CREATE: Give in your own name, in honour of a special person in your life, or opt to remain anonymous. As the donor, you can decide the charitable fund's name and identity. Every time a grant is sent to a charity, the funds name can be cited as the source of the gift. As the donor you receive a significant tax deduction at the outset.

DONATE: You advise on which eligible charities or institutions you want the fund to support each year. Granting, administration and tax reporting is handled seamlessly on your behalf.

SUSTAIN: Your charitable fund will be invested conservatively in your choice of professionally managed investment pools to provide income and long term growth of your capital.

CARRY ON: Establish a multigenerational tradition of philanthropy by naming children or other family members as successors to carry on the advisory role over the fund.

Friends of Bowker Creek & our School

The Friends of Bowker Creek got a welcome gift from the Federal Government in March of 2012 of \$738,000. In conjunction with the new High School and Centre for Community Learning the stretch of Bowker Creek between the East Building and West Building will be revitalized. This beautiful walkway will now extend from Monterey Avenue to the Oak Bay Recreation Centre.

From the School's perspective this opens the doors to expand its curriculum to include courses in Marine Biology and potentially in Fresh Water Biology.

What are the Alumni doing now?

Chris Witt Class of '76

Chris and his wife Brenda (Class of '78) still live in Oak Bay. They have two boys Sam and Simon who are well entrenched in university life. Sam is attending UVic and Simon is at Memorial University in St. John's, Newfoundland.

Now they are enjoying more time devoted to working on long delayed projects and staying in touch with a number of friends from high school days.

After graduation, Chris obtained his Bachelor of Arts degree in Economics at the University of Victoria. As part of his degree, he was fortunate to have taken a course on investing where one of his professors ignited a spark of interest. Shortly after graduation Chris began his career in the investment industry at a major Canadian securities firm.

Today, Chris is Senior Advisor with Macquarie Private Wealth – providing a range of investment and financial planning solutions to a busy practice of individual, family and corporate clients.

Thanks for keeping in touch Chris!
